2026 Budget – TH C&US

Final Baseline Update

TH C&US – 2026 Executive Summary

All figures in CAD unless noted

TH C&US AOI is expected to grow by **$83.8mm / 5.6%** vs 2025 to **$1,584.3mm. Growth of +$42.7mm** across Canada/US, **+$39.8mm** across Supply Chain/CPG and **+$3.3mm** across Services/Other Corporate is partially offset by higher Corporate Allocations of **($1.9mm).** Compared to Round 2 budget, TH C&US AOI decreased by **($1.8mm). Excluding TH China bad debt addition vs Round 2, TH C&US AOI would be $1,593.9, or 6.2% vs 2025.**

Core Business:

- Canada AOI is **$845.3mm, +$39.9mm / +5.0%** driven by SSS of 3.5% and +41 NRG/400 renovations, partially offset by G&A. This represents a **+$1.5mm** improvement in AOI vs Round 2 as reductions in SSS from 2025 baseline are offset by savings in D&A
- US AOI is **$81.7mm, +$2.8mm / +3.5%** driven by SSS of 3.2% and +40 NRG, in addition to improvement in AOI from Rochester Company portfolio. This represents a **($0.2mm)** reduction in AOI vs Round 2 as increases to SSS from 2025 baseline are offset by a reduction in Ad Fund AOI
- Supply Chain AOI is **$640.3mm, +$32.1mm / +5.3%** driven by volume growth, pricing, procurement savings, and Fruition expansion project. This represents a **($8.9mm)** reduction in AOI vs Round 2 **driven by bad debt for TH China ($9.6mm)**
- CPG AOI is **$122.6mm +$7.7mm / +6.7%** driven by price increase (Q1'26), lapping of price taken in 2025, tariff savings, and innovation partially offset by coffee commodity headwind. This represents **+$0.3mm** increase in AOI vs Round 2 driven by refresh of volume, price, COGS and localization expectations
- Segment G&A of **($197.1mm), ($1.2mm) / (0.6%)** mainly driven by increases in Corporate Allocations. Increases in People Comp from TH C&US were offset by savings in SBC

Franchisee Profitability:

- TH CAN expected to grow to **$310k, up +$11k YoY** driven by sales and improved scheduling practices offsetting record high coffee prices and continued tariffs impacting the bottom line
- TH US Franchise Profitability is budgeted at **$165k USD, up +$7k USD / +4.4% YoY**

TH US – 2026 Marketing Calendar

2026 Calendar focuses on stabilizing the breakfast occasion. We will do so through product innovation and value programs that feature key breakfast and baked good categories with product quality strength (strong PSAT) and relevant offerings, such as Protein, Wraps and Pastries. Additionally, beverage product innovation will aim to highlight cold beverage platforms (i.e., Protein, Refresher, Matcha, Cold Foam) to capitalize on growing beverage segments that resonate with younger guests.
